

Group & Multiply

1. Write how many groups of 2 are in 10. Write multiply by this model. _____

$$2 \times 5 = 10$$

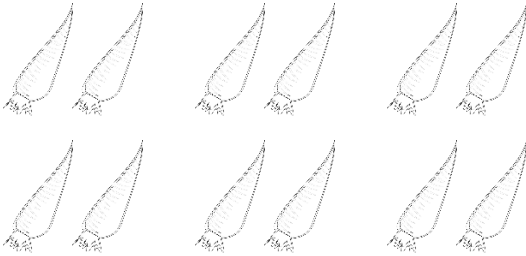

2. Write how many groups of 3 are in 9. Write multiply by this model. _____

$$3 \times \underline{\quad} = \underline{\quad}$$

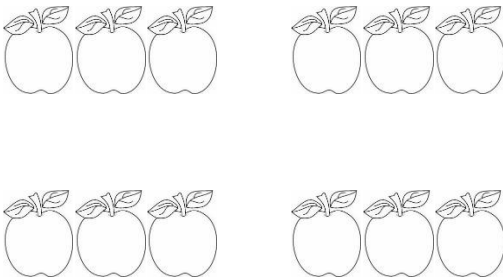

3. Write how many groups of 2 are in 12. Write multiply by this model. _____

$$2 \times \underline{\quad} = \underline{\quad}$$

4. Write how many groups of 3 are in 12. Write multiply by this model. _____

$$3 \times \underline{\quad} = \underline{\quad}$$

5. Write how many groups of 2 are in 8. Write multiply by this model. _____

$$2 \times \underline{\quad} = \underline{\quad}$$
